

The Catholic Parish of Corpus Christi

New Parishioner Registration Information

Why should I register with Corpus Christi?

Registering as a parishioner of Corpus Christi Parish offers you and your family members a number of benefits such as:

- You will receive an official income tax receipt for all of your financial donations to the parish and other charities sanctioned by the Archdiocese of Edmonton.
- You will receive a box of numbered envelopes or choose to use our Pre-authorized Offering Plan, **POP**, for your contributions to the Parish.
- You can obtain a reference letter from the parish priest when applying for immigration, or a job, especially with a Catholic school or hospital.
- You become an official member of a dynamic and vibrant faith community providing opportunities and access to faith gatherings & rental of facilities.
- In case of emergency, the parish can contact you or members of your family.

The number of registered members is used by the Archdiocese of Edmonton to determine how many priests will be assigned to a particular parish. The number of registered parishioners is a factor in determining how many staff members the parish will employ to meet the needs of the members of this parish.

What is expected of me?

There are no set obligations on you as a registered parishioner of this parish. However, this parish can only continue to exist because of the many registered parishioners who give so generously of their time, talent and treasure.

How can I get involved?

Each parishioner is asked to prayerfully consider what Time, Talent and Treasure resources they are willing and able to offer their parish.

The first step in serving in a ministry is to complete this registration form to begin the process.

Your prayers in support of the programs, activities and members of this faith community are always needed.

How do I register?

Please complete all of the information requested on this Parish Registration Form and either print it and drop it into the collection basket at any mass, or email it to:
