

The Society of St. Vincent de Paul is a Catholic lay organization whose members practice Christianity by helping our less fortunate brothers and sisters in the Millwood's area. After 'in-home' visitations, we are able to provide food, furniture, clothing, financial assistance and spiritual/emotional support to those unable to access other agencies. We respond to everyone who calls, regardless of race, color or creed. No work of charity is foreign to our Society.

If you are in need, or know someone else in need, please call and leave a message at **780-471-5577**
